1-5. Используйте каждую букву только один раз. В задании есть один лишний заголовок.

A. The layout of the school

D. Who teachers at the school

B. Who studies at the school

E. The medical care provided at the school

C. The history of the school

F. How school activities are scheduled

1. We are happy to welcome you in our campus. Please read the information carefully. It will help you settle as quickly as possible and make your stay as enjoyable as possible. We are proud to say that our school is one of the most famous and well-reputed board schools in Britain. In summer it turns into an international scientific centre. Children from different countries aged 14-16 live and study here for a month and a half. All our students come here after participating in Maths competitions in their own countries and in different international mathematical contests. We are proud to say that new Newtons and Einsteins are among us.

2. The school is located in a quiet historical village. The complex consists of several buildings. The central and the highest building in the campus is our administrative centre. Lecture halls, chemical lab, the library and the computer centre are all here too. To the right of the central building there are students' accommodations. All the rooms are nicely furnished, and there is a satellite TV in the students' lounge. To the left of the central building there is a students' cafe. Just behind it one can see an old building made of red brick. It used to be stables, but nowadays sports equipment like bicycles and boats are stored there.

3. All students have breakfast, lunch and dinner in the students' cafe at 8.00, 13.00 and 18.00 correspondingly. Lectures start at 9.00 and last till 13.00. After lunch the students work in teams on their projects from 14.00 up to 16.00. After that they have a wide range of various activities to choose from: sport games on the sport ground, drama lessons, TV, music performances and so on. The day rounds off with disco or national dances. Students should be in their rooms by 11.00.

4. Most lectures are given by university teachers. Like students they come from different countries and represent different universities but all the lectures are delivered in English. We are sure that you appreciate the unique opportunity to be at the cutting edge of contemporary science. The permanent staff of the school are always available in the administrative centre. They can advise you on any academic issues, recommend additional reading on the topics and answer your questions. So, if you have any questions, just come and let us know about it.

5. Though it's summer and holiday time, your lecture obligatory. You can miss a lecture only if you are ill and have a doctor's permission to stay in your room. Our school doctor is available round the clock in the central office. If you feel unwell, don't hesitate and come to see him.

The Maltese Islands are a group of little islands in the Mediterranean Sea. The population of Malta is about 400,000 people. In spite of being so small in size, Malta is quite a famous place and lots of tourists visit it every year.

Tourists in Malta have many kinds of entertainment to choose from. Clear and warm water is full of marine life and attracts divers and people who enjoy swimming and sailing. The place is also unique for people who are interested in history and architecture as there are lots of

historical buildings, temples and cathedrals there. There's the evidence that the first settlers appeared in Malta about 7,000 years ago, so this is one of the oldest places on the Earth inhabited by people.

The Maltese are proud of their unique history. They survived through the Arabs and Roman occupation, and they remember the knights of Malta, Napoleon and Nelson. They do their best to keep their history and traditions and are always glad to share it with tourists. Bands clubs are part of the social and culture history of the Maltese Islands. They see their aim in spreading the culture and teaching of music. The idea of forming some music societies or band clubs appeared in the second part the 19th century. Small bands were formed in little villages. Anyone could join them. As most participant could not afford to buy a musical instrument of their own, well-to-do villagers helped to pay for the instruments on the condition that the musicians would perform at their village feasts. Today, according to the latest survey by the statistics office, the total number of bandsmen/ women is over 4000. Many well-known musician started their career in a local band club and performed at their village feasts.
